

There is one purpose of this Newsletter: to give final details of the joint AAL/ALTA Roundtable to be held on Tuesday 3 July 2012 at the University of Sydney Law School.

Unfortunately, the Academy was previously provided with details of time and title of the event that have proved not to be those of the Roundtable as it will take place.

Therefore, please disregard earlier advice in favour of the following.

The Roundtable will be a plenary session of the 2012 Annual Australasian Law Teachers Association Conference and will be held from 3.30 pm to 5.00 pm at the Law School.

The title of the Roundtable is "The linkage between research and the work of the courts and the legal profession"

The topic will be addressed by a first class panel comprising the following members:

The Hon Justice Ronald Sackville AO, FAAL, Acting Judge of Appeal of the New South Wales Court of Appeal

Professor George Williams AO, FAAL, Sir Anthony Mason Professor of Law and Foundation Director of the Gilbert & Tobin Centre of Public Law at the University of New South Wales.

Dr Sarah Pritchard, Barrister, Sydney.

The session will be chaired by The Hon. Peter Rose QC.

The topic to be discussed at the Roundtable conforms to an object of the Academy, namely, to provide a bridge between

academia, the practising profession and the courts

Please see the attached flyer supplied by ALTA.

I hope that Fellows, particularly those resident in Sydney, may be able to join me in attending this event.
